Treasure Hunter

Exploration guide — reading sample

Explore Leonida by region, check community markers, and track collectibles.

Start with a region, select a category on an interactive map, verify each marker against another source, and record your findings.

These pages are an abridged translation preview. The full 21-page edition has not yet been translated.

VICECITYGEMS • GTA VI

Treasure Hunter

Exploration guide — reading sample

Vice City · Leonida Keys · Grassrivers · Port Gellhorn · Ambrosia · Mount Kalaga

Start with a region, select a category on an interactive map, verify each marker against another source, and record your findings.

Community maps provide clues, not independently confirmed treasure coordinates.
